Thrissur, Kerala

Languages Known: English, Hindi, Malayalam, Tamil

Currently pursuing B.Tech third year from Christ College of Engineering, Irinjalakuda, specializing in Computer Science and Engineering. Part of multiple student projects and expanding knowledge in various stacks through experience

WORK EXPERIENCE

Christ College of Engineering

May 2022 – Aug 2022

UI Designer, Irinjalakuda

- Contributed towards the design of the college website. Through this I could also learn about the software Figma that was used for designing. This also provided me ability to understand and learn to work as a part of a team.

Tegain Private Limited

Jan 2024 - Present

Full Stack Development Internship, Irinjalakuda

- Working on a Food Delivery Project as part of one year Internship. The project is being build in Django. This would provide me the opportunity to familiarize with the Python Framework.

PROJECTS, ENGAGEMENTS & RECOGNITION

- Project Work:**
 - IoT Project on Automated Smart Parking System as a part of project expo conducted by the college (Feb 2023).
 - Personal Portfolio website.
 - Fraud detection in financial transactions.
 - Examination details viewing website.
- Awards:**
 - Semester topper in B. Tech 1st year (2nd semester) of all the branches.
- Volunteer Work:**
 - Coordinated in Hacknite, a hackathon organized by our college.
 - Campus Tech Lead of Community Of Developers(CODE) of Christ College of Engineering, Irinjalakuda
 - Coordinated AI Tools Expo conducted by CODE in our College
